

2012 CDI Seminar 1 Booking Form

TAKING CHARGE: THE NEED TO LEAD

The new Independent Liquor and Gambling Authority will shortly release regulations outlining the requirements for Mandatory Director and Manager Training. If you have questions, or need answers, make sure you attend your upcoming Regional Seminar.

I encourage you to attend, and to bring your Board and CEO, Secretary Manager or Honorary Secretary to this event. There will be an open question time, to give you the opportunity to gain assistance on specific issues in your club.

Every director is also personally invited to attend the first round of Seminars. The fee for this valuable seminar is \$65. **I have waived that fee completely to ensure every director can access the information.**
