Earlier today, the NSW Government announced an initiative, *Great Southern Nights*, to support 1000 gigs across Sydney and regional NSW in November 2020.

The purpose of the initiative is to support the recovery of the live music and hospitality industries, who have been impacted by the challenges of COVID-19, bushfires and the ongoing drought.

The NSW Government is asking live music venues, including registered clubs, to nominate themselves to participate in the initiative.

Member clubs are strongly encouraged to nominate themselves **by registering their interest on the *Great Southern Nights* website, [here](#).**

Clubs which register their interest may subsequently be asked to submit further information, such as an Expression of Interest.

Participating venues will be connected with performers including Jimmy Barnes, Paul Kelly and Missy Higgins.

The media release on the NSW Government's announcement can be found [here](#).

ClubsNSW welcomes the NSW Government's initiative which will support live music in clubs as well as drive visitation to clubs as they continue to recover from COVID-19.

ClubsNSW has issued a media release on the initiative, which can be found [here](#).

The initiative is being delivered by Destination NSW in partnership with the Australian Recording Industry Association.
