I confirm that I am 18+ and agree with the [Terms and Conditions](#), [Privacy Policy](#) and [Collection Notice](#), including that:

- The offer is limited to 1 Together Ale coupon per person and is not transferable or exchangeable for cash.
- Registration does not guarantee redemption as offer is only available while stocks last and is at all times subject to the responsible service of alcohol.
- The person whose details are provided in this registration form will be sent a digital coupon entitling them to one complimentary schooner (425ml) of Together Ale at a participating venue on 10 November 2021 or until the venue's allocation is exhausted.
- I consent to ClubsNSW and the venue at which I redeem my coupon contacting me via email and SMS with information about this and similar offers.

Step 2 – Patron Opens Coupon Sent via Email

- Patron opens the below email and clicks the coupon link provided (the purple link in the below example).

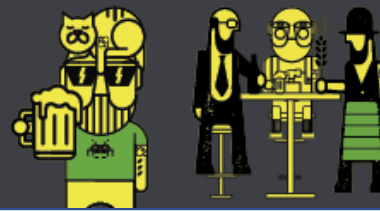

Step 3 – Patron Selects Participating Club

- After clicking the coupon link sent via email, patron finds and selects a club — if they press ‘Use my location’, the search results will list their nearest club at the top. Patron can also search by club name.
- Number of free Together Ales remaining at each club appears above the club’s name (see green text below).
- Clubs are removed from the list once all free Together Ales have been redeemed.

Step 6 – Redemption Confirmed

- Patron and staff see the below screen confirming redemption.
- Coupon **MUST** be redeemed so that it can't be used twice, to reduce the number of Together Ales available at your club on the website and to ensure ClubsNSW can provide your venue with accurate redemption data post-event.

Troubleshooting – Coupon Already Redeemed

If coupon has already been redeemed, patron will see the below message when they click the coupon link in their email. They cannot register for a second coupon as offer limited to one per person.

Troubleshooting – Patron Attempts Second Entry

Patrons can only claim one free Together Ale per person. The registration form has been set up to not allow double entries of email addresses or mobile numbers. The registration form will advise 'Entry limit has been reached' if a patron tries to register more than once.
