MC

ANDREW DADDO

Andrew Daddo's career spans Television, Radio, print media and Podcasting. Andrew is also an accomplished author with 28 published books.

Andrew has a new TV program coming to Channel 9 later in the year.

Andrew will be your MC for the day.

SPEAKERS

DEAN PULLAR

Dean won the Bronze Medal at the 2000 Sydney Olympic Games in the 3 Metre Synchronized Diving.

A local, born and bred in the region and CEO at Pullar Cold Storage, Dean has not only had a decorated Sports career, but also a celebrated professional career.

Dean's experience in the Sporting and Corporate worlds gives him a unique perspective on life and business, relationship and team building and what it means to be successful and win.

REYNA MENDES

Reyna Mendes is the Learning and Development Manager at ClubsNSW. She leads the design and delivery of practical training that supports club directors, CEOs and management teams to strengthen governance, performance and decision-making.

An award-winning trainer, she has delivered to diverse audiences, from rural business leaders to academic forums and has mentored learners to achieve multiple Minister's Student Achiever Awards.

She is an accredited DISC, EQ and Motivators Analyst, with a strong focus on leadership, culture and behavioural insight.

A graduate of the Australian Institute of Company Directors, Reyna brings a governance lens to emerging topics, helping clubs apply AI responsibly to improve productivity, enhance decision-making and deliver better member outcomes

CLUB TOCUMWAL

SPEAKERS

ALASTAIR MCDONALD

Alastair is the CEO of EDG Projects Australia.

With 28 years' experience in building design and delivery, Alastair brings a practical, documentation-led approach focused on buildability, approvals certainty and clear project outcomes.

His impressive background spans building design, consultant coordination, contract administration and end-to-end project management.

NICK O'HERN

Nick O'Hern is a professional golfer who played on the world's major tours for 20 years. After turning pro as a 4 handicap golfer, he rose to No. 16 in the Official World Golf Rankings, played in two Presidents Cups, and is the only person ever to beat Tiger Woods twice in match play.

Currently residing in Melbourne he is now a coach, mentor, TV commentator, and SEN radio co-host. Nick also conducts golf outings for corporate clients, and is an after dinner speaker.

An acclaimed author, he just released his second book, How To Play Your Best Golf.

TERRY O'HALLORAN

Terry has been in the gaming technology and information space for over 25 years with a keen focus on statistical analysis and trend identification.

Terry's expertise in gaming and business strategy sets him apart in the industry.

Learn from Terry strategies to maximise ROI, and how to right-size for your venue.
