

A helping hand where it's needed most, *thanks to Your Local Club.*

When times are tough, a warm meal and a safe place to sleep can mean the world.

That's why registered clubs across the Illawarra have provided nearly **\$250,000** worth of **ClubGrants** this year to charities who help feed and find shelter for those less fortunate.

And that's just the beginning. Through the ClubGrants program, registered clubs contribute more than **\$120 million** every year to thousands of worthy causes.

Your Local Club is committed to making sure that no one in the community gets left behind.
